

5905012: Aerated Bottom Drain ø110 mm & 12" disc

xclear

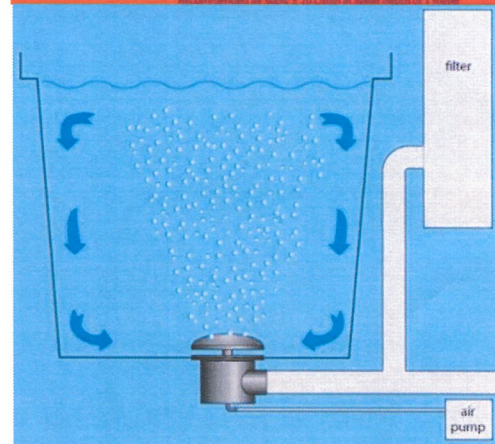

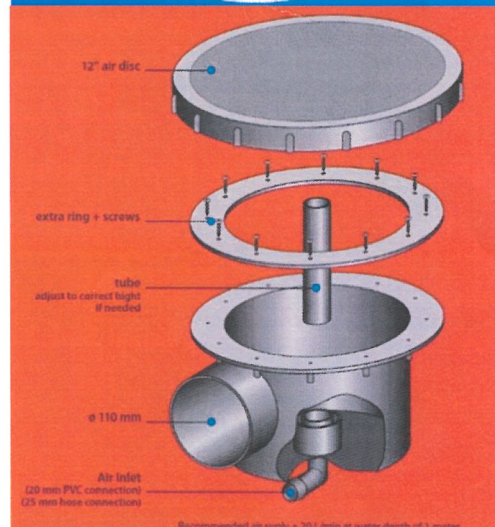

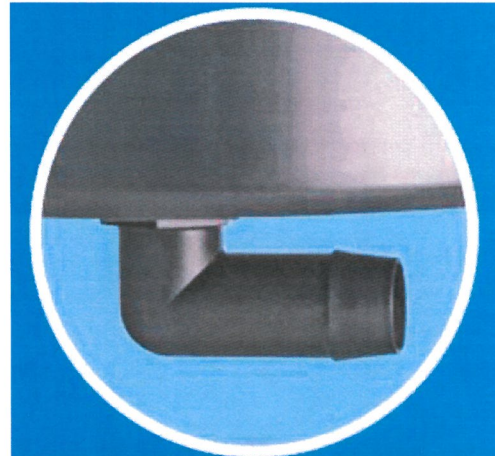

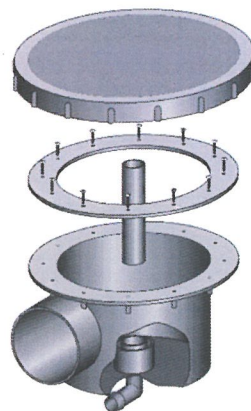

UV - C & FILTERS

Hose connection ø25 mm

PVC connection ø20 mm

High quality Bottom drain 110 mm outlet. The aerated Bottom drain 110 mm has a rubber membrane on top. When an air pump is connected the air bubbles will cause an optimal circulation in the water.

Tube; adjust to correct height, if needed.

LEAFLET: E801923
